

Investor Briefing

FY21 Q2 Results

Reported July 28th, 2021

Forward-looking statements and Regulation G Disclosure Statement

Forward-looking statements

This presentation may contain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. The words “believe,” “expect,” “anticipate,” “will,” “plan,” and similar expressions identify forward-looking statements, which speak only as of the date the statement was made. Such statements may include commentary on plans, products and lines of business, marketing arrangements, reinsurance programs and other business developments and assumptions relating to the foregoing. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified, including those risks and uncertainties described under the heading “Risk Factors” and “Liquidity and Capital Resources” in our 2020 Annual Report on Form 10-K, and supplemented in our subsequent Quarterly Reports on Form 10-Q. Future results could differ materially from those described, and the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. For further information regarding risk factors that could affect the Company’s operations and future results, refer to the Company’s reports filed with the Securities and Exchange Commission, including the Company’s Annual Report on Form 10-K and the most recent quarterly reports on Form 10-Q.

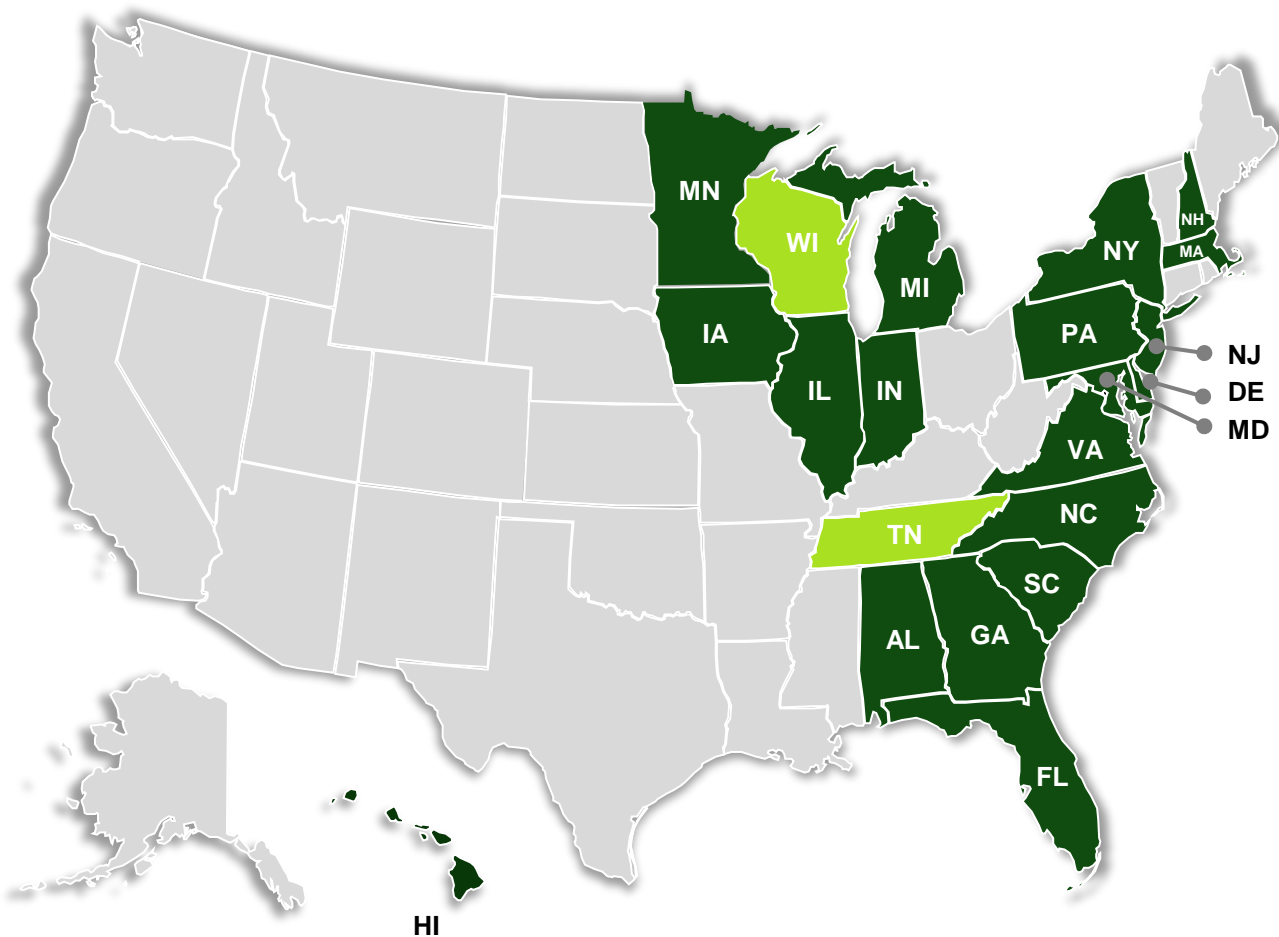

Regulation G Disclosure Statement and Key Performance Indicators

This presentation includes financial results with respect to adjusted operating income, and adjusted earnings per share, which are non-GAAP financial measures as defined by the SEC’s Regulation G. Non-GAAP financial measures should be viewed as supplementing, and not as an alternative or substitute for the Company’s financial results prepared in accordance with GAAP. Reconciliations of such non-GAAP financial measures in this presentation to the most comparable GAAP financial measures can be found in the Company’s earnings release for the second quarter of 2021, filed with the SEC as an exhibit to a Current Report on Form 8-K on July 28, 2021, and also available on the Company’s website at <https://UniversalInsuranceHoldings.com> under “Investors” with the subheading of “Earnings Releases.” For more information regarding our key performance indicators, please refer to the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations - Key Performance Indicators” in our forthcoming Quarterly Report on Form 10-Q for the quarter ended June 30, 2021.
